TimeTec-C

Multi-media Time Attendance Terminal

TimeTec-C is an innovative biometric fingerprint reader for Time & Attendance applications. The TimeTec-C offers unparalleled performance by using an advanced proprietary matching algorithm which is reliable, precise and has the fastest fingerprint matching speed.

The 3" TFT screen can display more information vividly, including fingerprint image quality, verification result and any other information you wish to display on the screen.

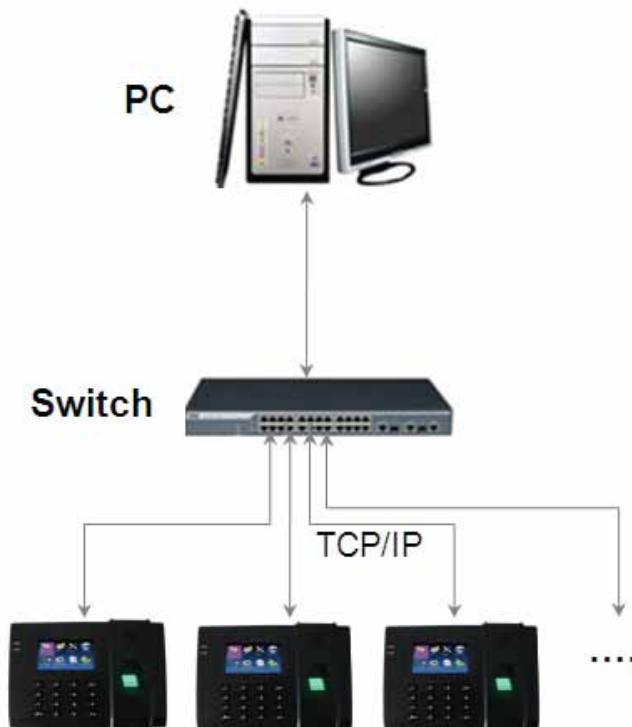

TimeTec-C comes standard with TCP/IP and RS-232 communication ports. An optional USB port allows administrator to transfer data when network isn't available.

SDK is available for OEM and software developers. TimeTec-C is feature-rich biometric terminal which match the capabilities to today's high priced competing terminal in market place.
